

BIOCOOL Leg Care

BIOCOOL
Leg Care

[PAT 0461049] [PAT10-1080444]

BioCool LegCare is a water-soluble leg massage gel containing active ingredients including Phytoncide, menthol, camphor, glycyrrhiza, and MSM (Methyl Sulfonyl Methane). This patented formulation helps relieve tired legs after a long period standing, sports activity or puffy legs. Refreshing phytoncide and citrus fragrance promotes relaxation and also acts as a moisturizer.

- ✓ Muscle pain, swollen legs, ankles and feet
- ✓ Tired legs after long time walking, sports
- ✓ A remedy for sore muscles on neck, shoulder, waist and back
- ✓ Relax and soothe legs and feet before bed
- ✓ Stiffness in the legs, neck, knee, hand, joints and muscles
- ✓ May be used in body massage and physical therapy

150 ml tube, 100ml Roll bottle,
available in various sizes upon
request

- The non greasy water-soluble gel is readily rinsed off
- Rapid absorption with an outstanding cooling effect
- Keeps your skin cool for more than 4 hours even when rinsed off
- For a more pronounced effect can be applied 2 or 3 times
